1st Annual Tigers for the Troops Golf Tournament

The 1st Annual Tigers for the Troops Golf Tournament is an event to benefit the Clemson Veterans’ Endowment. The tournament will be held on the 21st of November at 1:00 p.m. at the Boscobel Golf and Country Club of Pendleton, SC. This event is a student-led and planned initiative that is executed by the Clemson Student Veterans Association. All of the proceeds will go directly to the scholarship that was created to serve members of the armed forces who have returned to school after their service.

How will the money be used?

The Tigers for the Troops Golf Tournament supports the Clemson Veterans’ Endowment. The endowment will provide a $1000 scholarship each year to a deserving veteran at Clemson University.

Many service members who return to school face challenges that are not necessarily present for traditional students. Some veterans, for example, return to school with the responsibility of having a family to provide for; some face the challenges of service related injuries. While we cannot possibly mitigate all potential challenges that veterans face, we believe, that through this scholarship, we can reduce the financial challenges veterans face when returning to school.
