PHI GAMMA DELTA TO EXPAND TO CLEMSON STARTING SEPTEMBER 14, 2015

Members Achieving a 3.2 GPA Will Receive a $250 Scholarship

Headquarters staff from the International Fraternity of Phi Gamma Delta, also known as “FIJI,” will be on campus from September 14th through October 26th recruiting men to become the “founding fathers” of our restored Chi Alpha Chapter.

The recruitment process will be primarily recommendation-based and will involve several informational meetings, casual events and individual interviews. Phi Gamma Delta seeks gentlemen of all class years that excel in the areas of scholarship, leadership, involvement, community service, and athletics.

To emphasize the importance of academics, Phi Gamma Delta will provide numerous academic-based scholarships to benefit Clemson students. All men joining Phi Gamma Delta who achieve at least a 3.2 GPA during their first semester as a member will receive a $250 scholarship from the Phi Gamma Delta Educational Foundation. During the Fall 2015 semester, Phi Gamma Delta will also offer up to $1,000 in additional scholarships to Clemson men of all classes through its White Star Scholarship.

Headquartered in Lexington, KY, Phi Gamma Delta was founded in 1848 at Washington & Jefferson College on the values of Friendship, Knowledge, Service, Morality, and Excellence. The Fraternity has over 10,000 undergraduate members in 139 chapters and 16 colonies throughout North America. The Clemson chapter will join three other FIJI chapters in the state: Coastal Carolina University, College of Charleston, and the University of South Carolina. Since 1848, over 170,000 college men have become members of Phi Gamma Delta. Phi Gamma Delta was also an early leader among national fraternities in the movement to implement alcohol-free housing for its chapters.

Phi Gamma Delta offers outstanding opportunities for today’s college students. It seeks to maximize the college experience of its members through academic assistance, leadership development, community service, and gentlemanly conduct. Primary emphasis is placed on scholarship and the development of the individual, and as a result, the Fraternity seeks to compliment the mission of Clemson University. Phi Gamma Delta is a non-hazing fraternity; new members complete a progressive new member education program and have immediate leadership responsibilities and decision-making opportunities within the organization.

Students interested in this unique opportunity to become founding fathers of Phi Gamma Delta at Clemson University should contact staff member Josh Moore, either by phone at (847) 275-4860 or by email at jmoore@phigam.org. Students can also add us on Facebook (Clemson FIJI) or follow us on Twitter (@ClemsonFIJI). Further information is also available on the Fraternity’s website: www.phigam.org.
