The Student Alumni Council (SAC) is the 35-member leadership council for the Student Alumni Association (SAA). SAC membership is made up of student-volunteers. SAC is chiefly responsible for planning events for SAA members, maintaining a solid SAA benefits package, securing sponsors for SAA, and working at SAA sponsored events. SAC members also participate in various Clemson Alumni Association events and often assist the Alumni Association staff with these events and other sponsored programs.

The membership of SAC works on projects to serve the student body, promote the university, and involve our alumni in current campus functions. Some of our current projects include the coordination of the Welcome Back Festival, the Senior Picnic, the Senior Gift, and the Master Teacher Award. Many of the activities take place at night and on weekends.

There is a high degree of responsibility associated with the honor of being selected as a member of the Student Alumni Council. We would appreciate your honest evaluation of the applicant's ability to work effectively as a member of the 35-member Student Alumni Council and to represent Clemson University in a positive manner.
